VALEDICTORY

During the first lap of high school here at Parkdale we have all built up many golden friendships - both among the students and the staff. And now it is with mixed feelings we leave this school in which we have shared so many happy and never-to-be-forgotten hours. It is with a feeling of regret we leave these friendly halls and teachers behind. And yet we leave knowing our time has been well spent. Junior High School has been a continuous ingathering of knowledge which will be of great benefit to us in later years. It has instilled in us standards of speech and conduct.

Parkdale has proven to be one of the very important stepping stones which pave our road of life and I'm sure we can all look back on these days with exceptionally fond memories.

We may graduate this year but we will never cease to learn. We will find as Longfellow so aptly put it that there is no royal road or short cut to success, but:

> The heights by great men reached and kept,
> Were not attained by sudden flight,
> But they while their companions slept,
> Were toiling upward in the night,

Life is becoming more complex and increasingly competitive. Unless one has sufficient education he will encounter great difficulty in acquiring suitable employment. Therefore it is of great importance that we obtain as much education as possible.

The teachers have done their utmost to prepare each of us for Senior High School. Not only have they taught us mathematics, grammar, etc., they also have shown us the true meaning of sportsmanship and good fellowship.

It is our sincere wish that at some time in the not too distant future we may enjoy the privilege of meeting again amid the old familiar scenes. As years go by, time may weaken our memories of each other, names may be forgotten and distance separate us from one another. Neither time nor distance, however, will dim our memories of a faculty whose inspiration we shall never forget nor of an alma mater toward our loyalty will never diminish.

TO THE GRADUATING CLASS OF 1952

PRINCIPAL'S VIEWS AND REVIEWS

The year 1951-52 at Parkdale School is drawing to a close. For the 122 pupils of Grade IX - the largest Grade IX in Parkdale history - the year has seen varied activity.

Beginning in September Grade VIII graduates from Parkdale, H.A. Gray, North Edmonton, Peverly and many other points gathered at Parkdale to form the Grade IX class of 1951-52.

They were confronted by practically a new slate of teachers, under whom they were directed over the rocky academic path which was to culminate in the Departmental Tests in June.

Athletics assumed a prominent role; both for boys and girls. Winter noon-hour activities were much enjoyed by lunch-takers. Soccer, volley-ball, hockey, square dancing, the Spring Festival, Field and Track Meet and fastball more than absorbed the interests of the student body.

What is there in store for these 122 pupils over the hills and far away? For some of them, there will be more school. For others the world of work lies ahead. But, to most, high school will open its doors. May each of them - whether he is getting a job or continuing in school - always endeavour to do his best work and at all times be scrupulously honest in all undertakings, no matter how small these seem to be.

Parkdale, your Alma Mater, bids you farewell and success.

- E D I T O R I A L -

This year at Parkdale has been filled with great activity and enjoyment, a year not many of us will forget. Many of the staff and students have given much of their time to its success. It has been greatly appreciated by us all.

We hope you will fully enjoy the "Year Book" which the paper staff has dutifully put out. Thanks to the following for their help: Mr. Loewen especially, Loretta Osinchuk, Zuks, Charlie Farquharson and Rita Shumm.

As we part at the end of June, each to go our own way, may we have the fondest of memories of "Parkdale".

Good-bye Gang

Welcome Mr. Stewart!!!

Someone new came to Parkdale School this year. Our principal, Mr. Stewart, came here at the beginning of this term in place of last year's retiring principal, Mr. Somerville.

On behalf of the Staff and students we extend a most hearty welcome. May good health and properity be his in the years to come.

Room 16 - Grade 8

We don't know just what to fling
For Room 16 that has the ping
Since you always hear a boom
Don't come up or you'll meet your doom.

Jenny Berezanski
Jenny dislikes people who are nosey
But give her boys and all is rosy
Her hobby is spending money
For her a millionaire would be a honey.

Pat Burchby
Pat dislikes practicing the piano
But give her sports and that's different - oh!
Leather craft is fun for her
Her ambition is to be a stenographer.

Ardyth Hagerman
Ardyth likes sports of all kinds
Collecting money is a fine hobby she finds
A stewardess she'd like to be
An ambition that appeals to me.

Greta Janson
Fond of skating and skiing
Fond of schooling too
You've taken your place among us
We've found a friend in you too.

Ailene Jeffrey
Ailene's hobby is spending money
She'd like to marry a man swimming in money.

Joyce Johansen
Tall dark and lots of fun
Many friends our Joyce has won.

Judith Jones
A quiet unassuming lass
Loved by all she knows
And as the days behind us pass
Her friendship grows and grows.

Alice Kotyk
Alice dislikes work of all kinds
But life is not that simple she'll find
To be a stenographer is her ambition
To succeed she'll have to be in condition.

Thelma Larson
A house is built of brick and stone
Of tiles and posts and piers
But Thelma's built of loving deeds
That last a thousand years.

Yvonne Lund
Puts her best into her work
And is never known to shirk
Firm of purpose word and deed
We are sure you will succeed.

Bernice McCallum
Friends like you make a days glad start
With a brighter brain and lighter heart
Sunshine, roses, skies of blue
That's what I mean, a friend like you

Phyllis Mattison
"M" is for Mattison
Our curly heared pal
You've got to know Mattison
To know a swell gal.

Marlene Miller
Marlene was born in "Star"
And I'm sure she could go far
Her ambition is to be a nurse
Which she could do much worse.

Sylvia Orchuck
Sylvia is a lovely lass
She's always on the go
She really is the type of girl
That we're all glad to know.

Alex Allanach
Meeting strangers is his shame
Reading and hockey is his game
An accountant he would be
Dislikes baby-sitting, even for a fee.

Edward Cranna
Edward really, dislikes school
He's much rather frolic at pool
Stamp collecting draws a cheer
Hewould like to be an engineer.

Dale Gemmell
Dale likes girls he will confess
His hobbies are hockey and chess
If you ask his ambition
He will answer "To be an electrician"

Nicholas Mandlis
Nicholas likes sports and shows
Teachers are chief among his woes
A lawyer he will be
Just you wait and see.

Ernest Jackson
Ernest Jackson likes hockey
And isn't adverse to rugby

To be with T.C.A. and life would be
honey
Aeroplanes are his aim
He'll probably go down in fame.

Walter Latta
Walter actively dislikes basketball
But for hockey can hardly wait till
fall
A mechanic is what he wishes to be
I'm sure none could ever be as good
as he.

Richard Mandlis
Richard has no hankering
For the good old-fashioned spanking
For a hobby he collects money
His ambition to be a doctor is a
honey.

Donald Moore
Birthplace: Edmonton.
Dislikes: Mathematics and Social
Studies.
Likes: Girls.
Hobby: Crystal sets.
Ambition: Radio technician.

Eddie Mustica
His ambition to be a ditch digger
Which I think he'll change as he
gets bigger
He likes girls as do most boys
As he gets older he'll gain more
poise.

----- PRESIDENT'S COMMENT -----

Well another year has gone by at Parkdale and again we are studying for the finals. This year, it has been my privilege to be president of the students union. I can't put into words how much I have enjoyed working with you. I couldn't ask for a better executive staff to support me. I would like to thank the people who elected me and I hope that I have fulfilled the requirements of the position.

As you know the parties and "Lits" have all been a great success, thanks to Juanita Footz our social convener who, I think, has done a splendid job in making the activities at Parkdale enjoyable. So let's get together with her to make the graduation something to remember for a long time.

I would like to thank Mr. Stewart and Mr. Loewen who have helped us in making the right decisions when we were stuck. We could not ask for nicer teachers to work with.

Elizabeth Zukiwsky, Shirley Zeissler and Charlie Farquharson deserve a big hand for all they did to bring out a better year-book this year. I would like to thank the rest of the executive for their help in working for the students.

I would now like to express my thanks to all the students who have cooperated and supported the students' union. Good luck to each and everyone of you in writing the departmentals and lots of success in the future.

Jim Biglow.

SOCIAL CONVENER'S REPORT

Entertainment For the Orphans

Ambitious girls at Parkdale arranged Xmas entertainment for the orphans at the Ex-Servicemen's Home for children. Under the direction of Marlene Cherney, Peggy Engley and the Flather twins, the girls planned a program, bought gifts and served Xmas refresh ments for 40 orphans.

Christmas Party

The Students' Union's first party was held on December 16. It started at 7:30 p.m. and began with a concert and play. The second part of the program consisted of dancing and intermission while food was being served. The students and their special guest, the teachers with wives and escorts had an enjoyable evening.

Search for Talent

To help raise money for the Students' Union fund a Search for Talent Show was put on and three boxes of chocolates were raffled off. Persons entering the gym could buy candy at the candy booth. These three combined made the effort to raise money very successful.

Hardtime Party

The Hardtime St. Patrick's Day Party was held on a Friday evening at 7:30 p.m. on March 16. This affair was very colorful as teachers and students came dressed in brightly colored hardtime outfits. Several comical skits were put on to add variety to the program and during intermission hot dogs, cake and orange ade were served. Later polkas, waltzes and square dances ended the frolicking night.

Fashion Show

A fashion show was put on at the I.O.O.F. Hall to raise money for the crippled children by Marlene Cherney and Juanita Footz. Clothes shops contributed a total of 65 complete outfits for the girls to model and $20.00 was made. Tea and lunch was served at the end of the fashion show.

GRADE VII & VIII BASEBALL - Boys

The 7 and 8 ballteam had a good year too, but lost the two games. The first game was very close as the score indicated 16 runs for Oliver, 15 runs for Parkdale. The score was 15 to 7 before Parkdale had their last bats, but as you see they made a great rally but not enought. Healey and Francis were the pitchers of that game.

The seond had a much better score, but Parkdale was not quite good enough to beat the Oliver team. The score was 4-0 for Oliver. Healey and Francis were pitchers.
Lineup: Charlie Farquharson, Catcher; Richard Healy, Pitcher; Glyn Francis, Pitcher; Russell Pollard, 1st Base; Frank Vettergreen, 2nd Base; Gordon 3rd Base. Ron Engstron S.S Ed Zaharichuk L.F Ramsay C.F Ed Lindleman R.F Ed Dawson R.F

JUST A CUP OF COFFEE

Jed Mounter giving a hike to his shabby pants, went up the walk that led to the back door of the white house. It would be safe to offer to chop wood or clean windows as the windows were clean and there was plenty of wood. He knocked at the back door. A blonde with a faraway look in her eyes opened it and smiled.

"Good mornin' ma'am. I-I wonder if you'd have a cup of coffee to spare an' old feller?" He made his voice shaky, "Maybe I can chop some wood for you or clean the windows?"

"Oh you poor man, no home, no family, nobody to care for you! I'll put some coffee on."

"You want to clean windows? Well I'll let you clean the cellar instead. Just wash the floor. You might as well get started. There is the brush and there is the cellar door. You can get hot water from the wash tubs and the soap is right here."

Down in the cellar, Jed got slowly to his knees. This was the first time in years his bluff had been called. His joints were stiff. Slowly he began to scrub, raising his head every few minutes, to catch the aroma of coffee she was supposed to be making. After a bit she appeared at the top of the steps.

"Now that you have started, I'll wait 'till you finish. My husband says coffee is best when it is fresh."

Jed had finished washing the floor but the coffee still wasn't boiling.

"Oh you've finished already! I guess you want to do something else. Well you can wash the windows. The rain spotted them last night, but if you do all that, I insist on paying you. After all, a little breakfast isn't very much."

"Here I've been talking and talking and forgetting all about putting the coffee on. You should have reminded me. Albert always has to remind me of things."

Up in the kitchen she went to a wall cupboard and took down a canister marked "Coffee". Jed sighed in relief. At last he'd get a hot cup of coffee.

"Oh dear!" she said, turning and showing the empty canister, "I just remembered I used the last little bit for Albert's coffee this morning but we aren't going to let that stop us from having coffee. I'll give you the money and you can get me a pound over at Walter's Food Store. It's just near here,three blocks to your right and then four left, you just can't miss it. I suppose as long as you're going you might as well get a few other things for me. I'll make the list. Let's see.....half a pound of bacon....." She wrote down the things she wanted.

She started to open the black handbag, "I'll have to give you a twenty-dollar bill!"

Jed opened his eyes and lowered his head so she wouldn't see the gleam in his eyes. Twenty dollars, well that wouldn't be bad for a mornings work!

But she was snapping the bag shut. "The laundryman will be here soon and I just have to pay him. It seems I owe him for the last couple of weeks."

Jed stood waiting.

"No, well do it this way, you pay for the coffee and things and when I get the change from the laundreyman, I'll pay you back".

When Jed came back from the store he had two cents in his pocket as the groceries cost four ninety-eight and he only had five dollars.

Finally the little blonde was making breakfast. Although the clock showed it to be noon hour, Jed's breakfast was on the table.

The bacon and eggs were burned, the coffee weak, and the toast not buttered since there appeared to be no butter.

Jed was glad when the laundryman drove up. Now he was going to be paid! Then he heard the scream. The blonde wailed, "I just remembered I gave that twenty dollars to Albert!"

"Oh it's okay", replied the laundryman, "You'll pay me next time".

Jed got up, picked up his hat and walked out of the house.

THE END

Joyce Pelechowsky.

BOYS' SPORTS

Soccer:- This year introduced soccer to Parkdale with practically every Grade VIII and IX boy taking part. Plays were backed by Mr. Stewart. Johnny Robertson was captain of the Grade IX school team, Jim Biglow was assistant captain. It was unfortunate that only two official games were played. This was blamed on the early winter. The scores of the games were: Parkdale 2, Eastwood 1. Spruce Avenue 2, Parkdale 1. Some way or another Parkdale ended the season tied with McCauley school, but was unable to play them for the city championship because of the weather. This game is expected to be played this sping. Special thanks goes to "Ricky" for providing boots, sweaters, and shorts for this sport.

Hockey:- An exhibition game was played with Highlands, the score was deadlocked at 4-4. This was the only game Parkdale played against another school. House league games were at North Stadium and Eastwood Rinks. Winner of the series was Charlie Farquharson's team who defeated Jim Biglow's team.

Leading goal getters for the season were:

John McLeay	18
Bill Fletcher	8
Ed Dawson	8
Charlie Farquharson	6
Bill S.	5
John Robertson	4
Russell Pollard	4

Mr. Hunt made these games possible and also did the refereeing. Thanks to him.

As the season advances great hopes are held for some interesting baseball games.

Miss Smith to an absent minded professor: Hello, do you remember me? You proposed to me once.
Professor: I did? And did you accept?

Mr. Hunt after Vacation: Sure I caught a fish, but it was too small, so I had a couple of fellows help me throw it back in.

"Did you hear Mr. Smith talk to himself?"
"That's nothing.Mr. Hunt's been talking to himself for months and he thinks we're listening".

GIRLS' SPORTS

Miss Eckert was our Physical Education teacher this year and I think we had a very successful year of sports.

The sports started off with a few games of softball. The captains were: Bernice Johnson, Joyce Pelechowsky.

Those few games were fun, and we'll start playing softball again as soon as the snow melts. We'll see what we can do then for a real team. How about it girls?

As soon as we finished softball "touch rugby" started. We couldn't finish our games as the snow came along, but as far as we did go, we all enjoyed it.

After this we had a bit of dancing and then we started volleyball, which took quite a bit of our time. Room captains were: Room 8, Janet Yuskiw; Room 9, Bernice Johnson; Room 12, Karen Thrasher; Room 15, Rita Shumm; Room 11, Arlene Horne; Room 10, Shirley Mazurek.

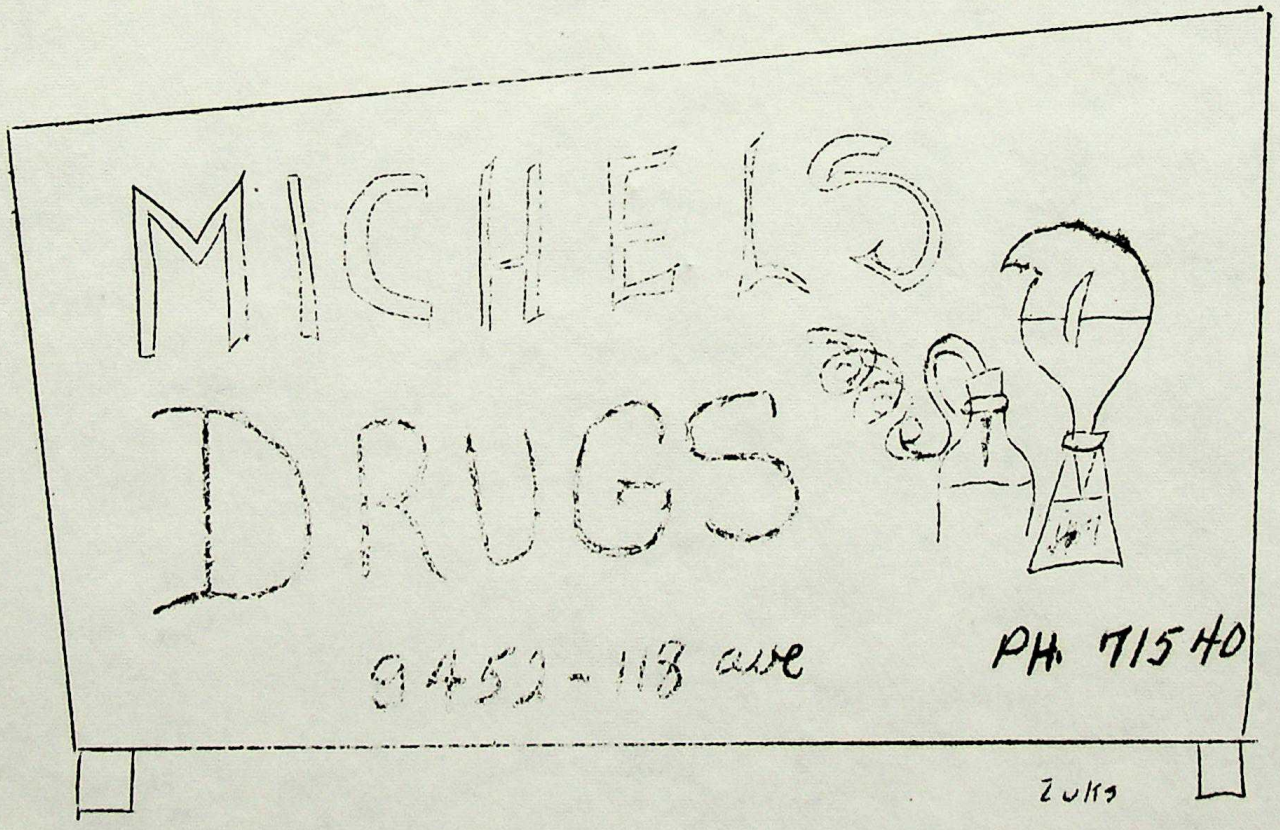
Referees of these games were Bernice Johnson, Rita Shumm, Joyce Pelechowsky, Elaine Waddington.

The house league standings were: Room 9, first; Room 11 and 15, tied in second; Room 12, third, Room 8 and 10, fourth.

Then we played the semi-finals of the city league. We were separated into two teams. Bernice and Rita were captains. Bernices team had the following players on the team: Mar. Holland, Joan Zeissler, Joyce Pelechowsky, Linda Morton, Olga Bakeleck, Bernice Johnson.

Rita had the following players: Shirley Zeizzler, Rita Summ, Jackie Darkes, Yvonne Janson, Diane Demchuk, Margaret Thomson, Karen Thrasher, Loretta Osinchuk, Marion Beal, Barbara Ellis. Rita's team came in third for the city championship.

After volleyball was over we started dancing again. We learned a few new dances such as the American Little Foot. It was very nice. We did these dances at the school festival on Monday, March 17, at Victoria High School. All rooms from Grade 7, 8, 9 took part in this. Both boys and girls put on two square dances at the festival. These turned out very well as Parkdale was the only school to try square dances.



ZUKS

GRADE IX BASEBALL - BOYS

The Grade 9 baseball team had a good year though there was only three games played. The first was a very good game, played by both teams, Oliver and Parkdale with Parkdale coming out on top of an 8-7 score. John West was the winning pitcher.

The second game was rained out in the fourth inning with the score standihg at 16-5 for Parkdale. This game was played again the following week. Evans was pitching. Parkdale won 13-3. This put Parkdale in the finals against McCauley.

The last game was a very good one. The two teams were evenly matched but a few errors made by Parkdale cut down our score to 6-5 in favor of McCauley.

GIRLS' BASEBALL

Again spring came and along with it came baseball. House league games were played with great interest.

We started our cityleague with Rita Shumm as captain. The other players were:

Karen Thrasher - Catcher
Marg. Holland)
Phyllis Lee)- Pitchers
Peggy Engley)
Olga Bakaluk - 1st Base
Rita Shumm - 2nd Base
Joyce Pelechowsky - 3rd Base
Margaret Thomson - Short stop
Marion Beale)
June Killips) - left field
Loretta Osinchuk)
Nat Diakun)- right field
Shirley Zeissler)
Bernice Johnson - centre field

The first game was against Highlands school, Parkdale the winning team. Then we played H.A. Gray which we also won. Our first defeat was the game played against Eastwood, which was also our last game.

TABLE TENNIS

Table tennis came into its own this year with the organization of the ladder system. This system worked on the principal of any player taking part being able to challenge players up to three steps higher than himself. If the challenger won he took over the position of the player challenged. This proved successful until the players had more or less established their standard of play and then it became static. To maintain interest the ladder system was abolished and a league of five teams was formed each team comprised of nine players and took the names of table tennis terms. The teams, Spikes captained by Brian Layetzke, Returns captained by Ricky Richardson, the caretaker, Serves captained by Ted Keeping, Cuts captained by Johnny Bendickson and Drives captained by Ken Bennett fought to a very close finish. Spikes and Returns finished in a first place tie with twelve points each. In the best of three deciding games played by the captains, Brian L. defeated Ricky R. by two straight games so that the final standings were:

Spikes
Returns
Serves
Cuts
Drives

Drives failing to make the play-offs. In the semi-final play-offs Spikes edged Cuts while Returns lost out to Serves by four points. In the finals, which was a best of two total point series, Serves and Spikes played it neck an neck and it was left until the very last game when Jim Miller defeated Bob Rogalsky by nineteen points to seventeen to give Serves the game and championship by two single points. The winning team was made up of the following players:

Ted Keeping - Captain
Bill Kerr
Murray Dale
Jim Miller
Ed Cranna
Don Campbell
Howard Cook
Dick Mandlis

In passing we would like to express our appreciation to Ricky Richardson for his assistance in the organization and running of the league. All in all table tennis in Parkdale this year provided lots of fun, keen competition and interest and has proved that next year it will be one of the musts on the sports agenda.

GOSSIP

Some of the gang were seen early one Saturday morning, climbing into Paul's wagon with guns. Who'd you shoot boys?

A certain L.P. of room 15 had something to tell L.O. of room 12. Give out boy, what was it?

L.M. of room 12 has a bleeding heart for B.M. also of room 12.

I wonder who those two are, that always walk to school holding hands? (J.B. & J.F.)

A certain blond John has fans from other schools. What do you attract them with Johnny?

There's a happy couple up in room 15. A certain N.R. & K.B.

What's happened to Zuks? Looks like she cut her hair.

Coffee of room 9 doesn't like it when a certain P.V. asks for a spot of tea.

A happy foursome was seen at the Grad Dance. P.E. & C.E. also K.T. & J.M. Cheating on me John?

Do you kids like the name Johnny? "I do" says Shirley Z.

Some real nice stories went around the school last winter. The gang of lunch takers say "three cheers for Miss Eckert, Mr. Nichols, Mr. Stewart for their time at lunch hour, on the cold days.

Wasn't Bea thrilled when room 12 moved to room 8 for science. P.V. was sitting behind her.

D.S. likes a certain A.N. from North Edmonton. What's up doc?

M.H.'s dream man was seen watching softball games when the girls played.

Mr. & Mrs. Loewen were really stepping fancy at our Christmas Dance. Lessons at Arthur Murray's?

We really had Mr. & Mrs. Stewart swinging, at our St. Pat's Party.

We saw Miss Eckert giving our president dancing lessons.

Corky and Big John took turns waltzing Miss Smith around the floor at our parties.

Glad to see Miss Michie at our St. Pat's Party. Thanks for all the help at our parties.

Thanks for taking our pictures Mr. Smith.

Three cheers for Mr. Turrill, the paper sure came in handy.
